

Accessing Your Health Information

Submit a Request for Health Information Online

• **Scan** the QR code.

• **Complete** all required fields and upload a copy of your government issued photo ID

Requests will be processed within five to ten business days of receipt of the request.

Requests are fulfilled by our medical records partner, Verisma.

Retrieve Health Information via the Patient Portal

- 1** Visit <https://www.saintmarysregional.com/patient-portal> and sign into your account
- 2** View test results, medications, immunizations, and medical history.
- 3** If additional medical records are needed, submit a request for medical records
